NEWS YOU CAN USE

Let's Get Organized

January is National Get Organized Month. The core benefits of being organized and operating in a generally clutter-free environment are increased productivity and improved performance. And with those comes a greater sense of control, which

is a vital part of stress management, resilience, and overall wellbeing. [The National Association of Productivity & Organizing Professionals \(NAPO\)](#) has more than 3,000 members worldwide dedicated to helping people and organizations bring order and efficiency to their lives. Check out this resource for guidance on how to best get organized. #GoMonth2024, #NAPOPro

The Integration of AI in HR

According to Gartner, 75% of HR leaders believe that if their organization doesn't adopt and implement AI solutions in the next 12-24 months, they will be lagging in organizational success compared to those that do. Check out

the conversation on our socials in response to the poll below.

How is your company using AI for talent management?
